Welcome, delegate, to

MUNA

2026-II

THIS YEAR'S THEME

This year's MUNA theme is **Voices for Change**.
Even to this day, the world needs change. There are still many large-scale wars waging, and humanitarian injustice in too many places on Earth. Therefore, this year revolves around letting your voice be heard, and making a difference.

EXCURSIONS

We always love to welcome foreign schools to MUNA. Therefore, in our planning we make sure to incorporate fun excursions to some Dutch cultural locations. This year, partner schools will travel to the Mauritshuis in The Hague. This museum of art holds loads of famous works from Dutch artists, including Rembrandt van Rijn.

CHARITY

Every year, we always make sure to lend our support to a charity. This year, our charity is the **Future Hope Foundation**. Future Hope is a charitable organisation which provides opportunity through its homes, school, sports and medical programme for some of the most vulnerable children from the streets and slums of Kolkata, India.

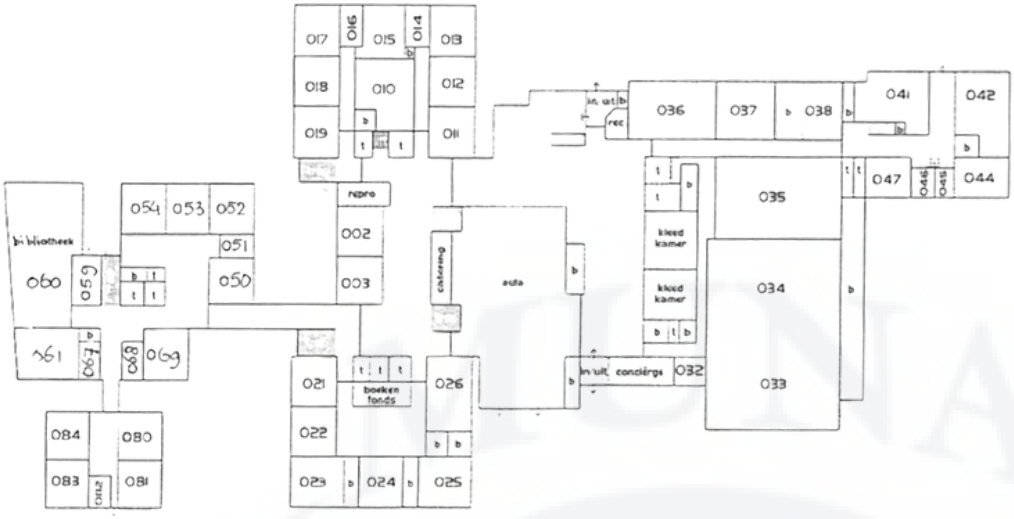

MUNA PARTY

MUNA would never be as fun as it is without the MUNA party. Therefore, this year it will return with the theme of **Time Travellers**! Taking place on Thursday the 19th of November from 20:00 to 23:30, this sure is an experience you will not want to miss!
